

Springtime Scavenger Hunt

Take pictures of these 10 natural indicators of spring.

Scavenger Hunt Rules

- Read carefully to be sure you photograph the right item!
- Remember, **Safety First!**

Capture a photo of each of these signs of Spring! Share on Facebook, Instagram or other media and tag TLNC

1. A dandelion or thistle
2. A cone or needles from an evergreen tree
3. A worm on the grass or sidewalk
4. A bird—tell what it is doing—looking for a mate, building a nest, singing, or eating
5. 4 different birds singing on video, may be any number of videos (try first thing in the morning.)
6. Collect and dispose of a piece of litter—take a picture
7. A flying insect
8. A blooming flower on a tree
9. A new leaf
10. A bee (any type of bee is good)
11. Animal tracks (any animal that is not a human)
12. A seed dispersed by wind

Bonus Points

1. Video of frogs calling at night
2. Picture of a fish in a pond, spring, lake or river
3. Picture of an animal that eats mosquitos (dragonfly, bat, tree swallow)
